September 23, 1986

Dear Members:

The fall meeting of the Historical Society will be held at 7:30 P.M. on Tuesday, September 30th, 1986 at the Senior Citizens Center at 350 North Main Street, Suffolk, Virginia. The topic of discussion for the meeting will be the fate of the old Nansemond County Clerk's Office building. A representative from the administrative staff of the City of Suffolk will be present to discuss the immediate concerns facing City Council at this time.

It is important that those of you who have any interest or concern whatsoever regarding the old Clerk's Office building be present at that meeting and let your voice be heard. The City of Suffolk may very well consider the fate of the Clerk's Office on the day following our meeting, Wednesday, October 1st, 1986. As you may know, City Council, at its work session on September 17th, 1986, agreed to our request to postpone making a decision on the demolition of the building, pending dissemination of the City's recently acquired information to our organization as well as to the community at large.

The possessions of the Historical Society have been moved from Riddick's Folly to Tom O'Connor's garage on West Washington Street. Those of you who have any of the Historical Society's articles are asked to return them at this time. Please contact Tom or me to coordinate their return.

It is with great pleasure that I announce the Candlelight Tour for 1986 will feature Olde Towne Suffolk. Sue Woodward is chairman of this event and has organized an interesting, and somewhat different, tour for this year. More information on this will be forthcoming within a few weeks.

Yours truly,

Jim
